

Ben Buckton

Titles: 2 Sources: 1 Stills: 1

Born: UK, 1964

Played in several 1970s productions for the Children's Film Foundation. "**THE BATTLE OF BILLY'S POND**" was an early environmentalist piece about two brothers discovering industrial pollution of their favourite fishing hole. In true CFF style, it doubtless resolved to a *kids versus crooks* yarn by the end.
