Titles: 1 Sources: 0 Stills: 1

Born: US
Younger brother of actor Raymond Hatton?

Rather incongruously teamed with Jackie Coogan in an early follow-up to the success of Chaplin's "**THE KID**". Hatton played the best pal and partner-in-crime of Henry Peck, despite towering over the smaller star. Nothing else is known of him. He's not listed in *The Moving Picture Boy*.

Just another day on the streets for master Hatton. What a drag.
