## The Moving Picture Boy entry:

“Dennis - who made his film debut at the age of six weeks - should not be confused with the adult British actor Denis Holmes, who was active at the same time... Although determined little blond Dennis made a solid fistful of cinema films, he was best known for his resident role as Mike in the TV series "**Laramie**" (1959-63), though he also appeared in "**Wagon Train**" and "**Tales of Wells Fargo**".”
