“Another cowboy kid, presumably grandson of an earlier Newton House, "actor and cattle-man" (1865-1948). Billed as "The Champion Kid Rider of the World", he starred, with his fiery horse Marky, in a string of two-reelers for Universal in 1927-28.

Newton House continued acting till at least 1935, in "**DEVIL DOGS OF THE AIR**". His younger siblings Donald, Dorothy and Jimmy followed him into the acting profession, but with less success.”
