The Moving Picture Boy entry:

“Aivars Freimanis’ **"PUIKA"** ("The Boy") was based on a popular autobiographical novel. In the setting of a Latvian farmhouse at the end of the 19th century, the child Jancis develops the eye of a poet as he watches the beauties and difficulties of the world around him. **"PUIKA"** won the "Big Christopher" prize as the best Latvian film of its year, and little Indars Lācis was superb.”
