

Donald McDonald

Titles: 5 Sources: 0 Stills: 0

Born: US

A utilitarian boy, he was Burt Lancaster's stalwart son and companion in "**THE KENTUCKIAN**", and a lad adopted by gunslinger Robert Stack, unaware that he's the man who killed his father, in "**GREAT DAY IN THE MORNING**". Both were Gary Gray-ish roles, underwritten like so many boy-roles in mainstream Westerns, but McDonald was neither as photogenic nor as spirited as Gary Gray. "**HER 12 MEN**" was set in a boys' school, with Greer Garson the teacher with a vocation. Nothing else is known of him.
