

Anthony Richmond

Titles: 6 Sources: 1 Stills: 0

Born: UK; c1943

The Moving Picture Boy entry:

“Oddly enough this was not the famous British cameraman (born 1942) but a square-jawed little chap who played the lead in "**Bang! You're Dead**" and appeared in a few subsequent films of the Fifties. His last two, leading roles again, were for the Children's Film Foundation.”
