Below: The same gang,
different order. There's five
of them, naturally.

Index of Films 1972

The Moving Picture Boy entry:

"With his elder brother Michael, the aboriginal Neza Saunders and the bespectacled Morris Unicomb, Nicky was the junior member of a notable quartet in **"BUSH CHRISTMAS"**, one of the first Australian-based films to achieve world-wide popularity. Ralph Smart was to direct him again three years later in **"BITTER SPRINGS"**, but perhaps his best part came in **"EUREKA STOCKADE"**."

FILMOGRAPHY
