## What's On TV note:

“An Hispanic street urchin forms an unlikely bond with the Italian immigrant who built Los Angeles' Watts Tower.”

No further information currently available. With titles like this you wonder what they ever did to merit being so studiously ignored by the critics. If De Niro had played the immigrant we'd all know about it! Presumably Zapata plays the urchin, but nothing else is known of him.

See subject index under **SPECIAL FRIENDSHIPS**, unlikely or otherwise, and **STREET KIDS**.
