Speelfilm Encyclopedie review:

"One day a shy child meets an old seaman. A
hackneyed tearjerker. 1/2* "

No further information currently available. Actually, half a star isn't a bad rating from this source for a Spanish film! Holmstrom lists only one title for boy star [Lolo Garcia](#) - "**LA GUERRA DE PAPA**" (77) – but his breakthrough film was certainly "**TOBI**" (78), in which he played a six-year old boy with angel wings, and about the age of 11 he starred in "**COMPUTRON 22**". In the mid sixties Spanish cinema had also produced a Tito Garcia – for example in "**LOS OFICIOS DE CÁNDIDO**" (65) – but it's not known whether they were related.
