Leonard Maltin's Movie and Video Guide
 2001 review:

"Fresh, vibrant little film about a Latino woman from the Bronx whose tumultuous love/hate relationship with her husband and their kids is rocked when she stumbles into a job - an exciting one, no less - in the record business. Writer-director Darnell Martin examines real, everyday issues with zest, humour, and the ring of truth. *** "

Excerpt from **Amazon.com** customer's review of "POPI":

"...[Miguel] Alejandro's role reminded me a lot of Thomas Melly's role of Lil' Chino in another Puerto Rican movie filmed in New York City, "I LIKE IT LIKE THAT"..."
