No further information currently available. Blatherscape! **He'll** get rimmed when **I** get 'olt of 'im! British film production, then as now, was concentrated almost exclusively in the south, so it's of interest to see an early title from the north country, and a glimpse of Sheffield circa 1907. This title is of interest, too, for preserving a children's plaything as popular in Edwardian times as the skateboard in the 1970s or the Nintendo in the 1990s.

See subject index under **COMEDY**, [RASCALS & SCALAWAGS](#) and [SILENT CINEMA](#), also under **HOBBIES / GAMES** and **TOYS / DOLLS / MODELS** – the hula hoop falls more or less into both categories.
