The Moving Picture Boy entry on Bosselmann:

"The chunky little Bosselmann had leads in both his films. As Lutti Matten, a fisherman's son, he attempts to improve his striking rate by finding a legendary shell which lures fish into the nets. The appeal to magic proves disastrous, and he is saved by purely human means."

No further information currently available. Probably a children's film, although not explicitly so. Bosselmann was about 9. In 1961 he'd starred in "**DAS MÄRCHENSCHLOSS**" ("The Fairy Tale Castle").
