Speelfilm Encyclopedie review:

"An adolescent girl becomes obsessed with the person who lives on the upper storey of her home and whom she's never seen. A splendid and many-sided film, made by one of the most important directors in the history of Argentinian cinema. *** "

No further information currently available. The girl is presumably played by Elsa Daniel, but the term "adolescent" is a broad brush, and can mean anything from 12 to 20 in the hands of some reviewers.
