CVMC video retail/rental website review:

"It's **"JAWS"** meets **"Flipper"** in this silly tale of a boy, roughly seven years old, and the shark he befriends. Will these two remain chums to the end..., or will the fish get

hooked? Would make an ideal evening if you include a six-pack of beer.

No further information currently available. Perhaps more like “**FREE WILLY**” meets “**Marine Boy**”? But the most obvious comparable title would seem to be “**TIKO AND THE SHARK**” (62), in which a Polynesian boy raises a baby shark. In any case, I beg to doubt that it would make “an ideal evening”, alcohol or not. Nothing else is known of Jorge Russek.

See subject index under [ANIMALS](#), **DOGS** and **SWIMMING**.
