The British Film Catalogue 1895-1985 listing:

"Crime. Scout clashes car tyre to save chum from burglar."

[no listing in "Classics of the Silent Screen", "A Pictorial History of the Silent Screen", "Silent Movies: A Picture Quiz Book", "Halliwell's Film Guide", "Leonard Maltin's Movie and Video Guide 2001", "The Critics' Film Guide", "The Good Film and Video Guide", "Movies on TV and Videocassette 1988-89", "Rating the Movies (1990)", "Speelfilm Encyclopedie", "The Sunday Times Guide to Movies on Television", "The Time Out Film Guide", "TV Times Film & Video Guide 1995", "Variety Movie Guide 1993", "Video Movie Guide 1993" or "The Virgin Film Guide"]

No further information currently available. No no, slashing tyres just isn't cricket. I doubt Baden-Powell would have approved. Scouts have been defrocked for less, and so they should be. See also "**RUN TO EARTH BY BOY SCOUTS**" – released the same month by a different company – for more law enforcement activities in short trousers.

See subject index under **KIDS OUTWIT THE CROOKS**, [SCOUTS & SCOUTING](#) and [SILENT CINEMA](#).
