No further information currently available. “**Short Stories**” was not a documentary strand. The traditional working class sport of pigeon racing has certainly received scant attention on film. The only remotely connected title I can suggest would be Michael Landon's sentimental boy-and-his-grandpa film “**WHERE PIGEONS GO TO DIE**” (90), although “**KES**” would be closer to home. See subject index under **ANIMALS & BIRDS** and **SHORT FILMS**.
