www.fpc.net/pages/martijn/filmtips

"Jimmy Grimble (played by Lewis McKenzie) is very bad at football , but still dreams of becoming a real pro. The wonder-boots he gets, which make a super footballer of him, are just great. His dream looks set to become a reality..."

[no listing in "Leonard Maltin's Movie and Video Guide 2001" or "Variety International Film Guide 2000"]

No further information currently available. And appropriately enough for a British soccer film, the one still we have reflects mindless thuggery, that inoperable cancer in the belly of the game. The synopsis as given suggests a harmless update of "**SAMMY'S SUPER T-SHIRT**", but the picture tells a different story. It's probably a closer relative of "**BILLY ELLIOT**". Nothing else is known of Lewis McKenzie.

See subject index under **FOOTBALL** for surprisingly few titles which have capitalised on this fundamentalist religion of the working class male.
