International Film Guide 1982 note:

"One of the characters dominating the new film directed by J. Svoboda, "**GIRL WITH A SHELL**" ("**Dívka s Mušlí**") is the mother of four children. She is an alcoholic. Fourteen-year old Vendula suffers intensely because of her mother's addiction and inability to look after the family. So she tries to keep the family going and make up for her mother's irresponsible and callous behaviour. Dita Kaplanová gives a striking performance in the title role; the young actress appeared in

Kachyňa's earlier film "**WAITING FOR THE RAIN**" ("**Čkání na Déšť**")."
