The Little Adventurer

France 1976 : Boarding school boy on language course to the UK. Boy meets girl, girl meets older boy, boy meets older boy too. Things get involved. With [Gilles Budin](#).

? ? ? 1995 : Boy becomes close friends with an older local youth while on holiday in Hawaii.

? ? ? 1972: [Mark Lester](#) on holiday in Japan gets embroiled in espionage.

Non-fiction

Modern Times:

“Family Values”

UK TV 1998 : BBC report on two middle class families in difficulties with their offspring – the one an advocate of “conservative family values” unable to restrain their own boisterous 11-year old son, particularly on a holiday to France, the other putting their two younger children through an American-run “new learning centre” to curb their “inappropriate impulses”. *Recommended.*
